POTHOLE REPAIR. EVEN IN STANDING WATER.

Viafix cold-lay permanent pothole repair. Fill, compact and open to traffic straight away, in wet weather and water-filled potholes.

VIAFIX 25 KG POLY BAG

For quick use · stated shelf life 3 months

Buy online →

VIAFIX 25 KG BUCKET

Resealable · 6 months unopened · 40 per pallet

Buy online →

VIAFIX 1000 KG BULK BAG

Branded duffle bag with sealed liner

Buy online →

Viafix 14 kg foil bag	Long shelf life · 72 per pallet
Viafix 25 kg poly bag	For quick use
Viafix 25 kg bucket	40 per pallet
Viafix 1000 kg bulk bag	Can stay on site, reseal between jobs

WORKS IN STANDING WATER

Plenty of cold-lay products claim all-weather use. Viafix is made to bond and compact in a water-filled pothole, so the repair is permanent first time.

PAIRS WELL WITH

OVERBANDING & EDGE SPRAY

Finish the repair properly. Seal the joints with PROBAND 60 or TexBand overbanding.

BLACK PIGMENTED BAUXITE

Call 01227 678250

RED PIGMENTED BAUXITE

Buy online →

RED PIGMENTED GRANITE

Buy online →

GREEN PIGMENTED GRANITE

Buy online →

NEED A BINDER?

Pair your aggregate with SAFETRACK HFS resin for high-friction surfacing. Ask us for a system price.

PAIRS WELL WITH

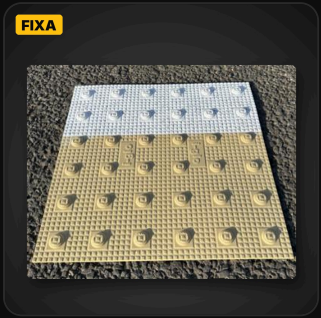

ANTI-SKID SHEETS

Small area? Preformed anti-skid sheets give high-friction colour without mixing resin. See the road marking page.

FIXA
